VII. Work Experiences (other than medical);

1927-1933 These began as farmer helper at age 10 and on through age 16. Duties here were blocking and thinning sugar beets, weeding, and thinning onions, cultivating potatoes, corn, putting up hay, and stacking straw at threshing time. Maximum pay at this period was one to two dollars per day.

During 1929 he worked a short time for Van Photo at \$15.00 a month for part time photography work.

From 1934-1936 he spent spare time and each summer and after school in the employ of a corner
